Dear Mr. Vera:

This is in response to your fax dated July 3, 2013, requesting information under the Freedom of Information Act (FOIA) (enclosure). Under Department of Defense (DoD) rules implementing the FOIA, published at 32 CFR 286, your request was categorized as "other."

Document ADA177856, entitled "*Wastewater Characterization Survey Victor Valley, Wastewater Reclamation Authority and Hazardous Waste Survey at George AFB*", is approved for Public Release. We have begun the process of digitizing the report. Once the digitization process is complete, we will forward the document to you.

To date, there are no assessable fees for services from DTIC. Please understand that other members of the public may submit a FOIA request for copies of FOIA requests received by this office or the names of those who have submitted requests. Should such occur, your name and, if asked for, a copy of your request will be released; however, your home address and home telephone number will not be released. Other private citizens who have obtained your name by using such a request may contact you. However, correspondence from the DoD about your request will be on official letterhead. If you have any questions, please call me at (703) 767-9204. Thank you for your interest in obtaining information from DTIC.

Sincerely,
