Mr. Frank Vera

Dear Mr. Vera

This is in response to your March 15, 2011, Freedom of Information Act (FOIA) request for "index of any and all records of classified or formally classified documents pertaining to environmental contamination at the former George Air Force Base – EPA #: CA2570024453" from the Department of Energy (under their HQ-2011-00805-F).

The Air Force Real Property Agency (AFRPA) conducted an appropriate search for responsive records, but no such index was found. Therefore, a "no records" determination was made.

Should you decide that an appeal to this "no records" response is necessary, you must write to the Secretary of the Air Force, Thru: HAF/IMIO (FOIA), 1000 Air Force Pentagon, Washington DC 20330-1000, within 60 calendar days from the date of this letter. Include in the appeal, your reasons for reconsideration, and attach a copy of this letter.

AFRPA did state that the former George Air Force Base's Administrative Record is available to the public at the following website: <https://afrpaar.lackland.af.mil/ar>.

Please contact the undersigned at (703) 693-2736 should you have any questions and refer to our case #2011-04334-F. There are no fees associated with the processing of this request in this instance.

Sincerely

ESPINAL.JOHN.
