# **FOIA Request**

Dear FOIA Officer:

Please process this request pursuant to the Freedom of Information Act, 5 U.S.C. § 552.

Per instructions at <u>http://www.foia.af.mil/main/welcome.asp</u>, I am filing this request with Headquarters Air Force/ICIO (FOIA) as I do not know the location of the records.

Dr. John R. Sabol, (deceased), Environmental Engineer, U.S. Air Force was the Chief Environmental and Contract Programming / Community Planner / Construction Engineer, George Air Force Base, California from June 1976 to February 1981. (see Dr. Sabol's CV <u>http://www.docs.georgeafb.info/sabol/dr-john-r-sabols-curriculum-vitae.pdf</u>)

# 1. I am requesting a complete unredacted printout or listing of all records to, from, and/or mention John Richard Sabol, John R. Sabol, John Sabol, Mr. Sabol, and/or Sabol pertaining to George Air Force Base (George AFB).

# **Privacy Rights**

Because Dr. John R. Sabol died on 3 August 2000, there is no expectation of privacy. *(see page 6 Dr. Sabol's death certificate)* 

# **Definition of Record**

The term "record" includes, *but is not limited to*: 1) all email communications to or from any individual within your agency; 2) memoranda; 3) inter-agency communications; 4) sound recordings; 5) tape recordings; 6) video or film recordings; 7) photographs; 8) notes; 9)

notebooks; 10) indices; 11) jottings; 12) message slips; 13) letters or correspondence; 14) telexes; 15) telegrams; 16) facsimile transmissions; 17) statements; 18) policies; 19) manuals or binders; 20) books; 21) handbooks; 22) business records; 23) personnel records; 24) ledgers; 25) notices; 26) warnings; 27) affidavits; 28) declarations under penalty of perjury; 29) unsworn statements; 30) reports; 31) diaries; 32) calendars, regardless of whether they are handwritten, printed, typed, mechanically or electronically recorded or reproduced on any medium capable of conveying an image, such as paper, CDs, DVDs, or diskettes.

## **Record Search**

When processing this request, please note that the D.C. Circuit has previously held that agencies have a duty to construe the subject material of FOIA requests *liberally* to ensure responsive records are not overlooked. *See Nation Magazine, Washington Bureau v. U.S. Customs Service*, 71 F.3d 885, 890 (D.C. Cir. 1995).

In line with the guidance issued by the Department of Justice ("DOJ") on 9 September 2008 to all federal agencies with records subject to FOIA, agency records that are currently in the possession of a U.S. Government contractor for purposes of records management remain subject to FOIA. Please ensure that your search complies with this clarification on the effect of Section 9 of the OPEN Government Act of 2007 of the definition of a "record" for purposes of FOIA. In addition, the Air Force should not interpret this request to exclude correspondence sent to outside third parties. Please also consider this letter an affirmative rejection of any limitation of your search to Air Force originated records.

#### **Exempt Records**

If you assert that any of the requested records are exempt from mandatory disclosure under FOIA, I request that you disclose them nevertheless, as such disclosure would serve the public interest of educating citizens regarding the operations and activities of the Air Force regarding this matter.

If you deny all or part of this request, please cite the specific exemptions you believe justify your refusal to release the information or permit the review and notify me of your appeal procedures available under the law.

In addition, I would like to draw your attention to president Obama's 21 January 2009 Memorandum for the Heads of Executive Departments and Agencies, directing federal agencies to adopt a presumption in favor of disclosure and stating that government information should not be kept confidential "merely because public officials might be embarrassed by disclosure, because errors and failures might be revealed, or because of speculative or abstract fears."

#### Redaction

In excising material, please "black out" rather than "white out" or "cut out." Additionally, any reasonably segregable portion of a responsive record must be provided to me after redaction of

#### Page 2 of 4

any allegedly exempt material, as the law requires. 5 U.S.C. § 552(b). I reserve the right to appeal any decision to withhold information.

## **Preservation of Records**

Please ensure that, in accordance with the DC Circuit's ruling in Chambers v. Department of the Interior, 568 F.3d 998 (D.C. Cir. 2009), all records potentially responsive to this FOIA request are immediately preserved from destruction until the final resolution of this FOIA action. Destruction of potentially responsive records after the receipt of a FOIA request is considered "contumacious conduct" by the DC Circuit. See id. at 1004.

## Fee Waiver

I am requesting a public interest fee waiver. There can be no question that the disclosure of the requested information would contribute significantly to the public's understanding of the operations or activities of the government and is in the public interest. I have NO commercial interest in the requested documents and the requested records will be posted, free of charge, on www.GeorgeAFB.Info. I have the ability to disseminate information on a wide scale, and intend to use information obtained through FOIA in original works. I am hereby requesting classification as a representative of the news media.

## **Record Format**

I request that any documents or records produced in response to this request be provided in electronic (soft-copy) form wherever possible. Acceptable formats are .pdf, .doc, docx, .jpg, .gif, .tif. Please provide soft-copy records by email or on a CD if email is not feasible.

However, I do not agree to pay an additional fee to receive records on a CD, and in the instance that such a fee is required, I will accept a paper copy of responsive records.

I look forward to receiving the requested documents within twenty (20) business days.

If you wish to discuss this request, please do not hesitate to contact me at 209-984-5517.

Thank you for processing this FOIA.

~ .
